

MISSION STATEMENT

MISSION STATEMENT--The mission of Giles County Public Schools is to achieve the mandates of the Virginia Department of Education, to continue the improvement of instruction in a positive manner, and to create a welcome climate for students, parents, and employees. This mission is to be accomplished in a team setting where the team shall include students, parents, employees, residents, industry, and local merchants.

VISION STATEMENT--The world is our classroom and each student's potential is our challenge.

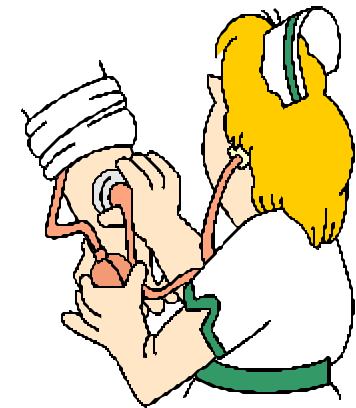

FOR GILES COUNTY SCHOOLS

GILES COUNTY PUBLIC SCHOOLS HEALTH SERVICES

Healthy Students Make Better Students

Believing that each child's health has a direct effect on his or her ability to fully access the educational opportunities of our school division, the Giles County Public Schools' health programs strive to do everything possible to assist our students in achieving their full potential.
