

# MISSION STATEMENT

MISSION STATEMENT--The mission of Giles County Public Schools is to achieve the mandates of the Virginia Department of Education, to continue the improvement of instruction in a positive manner, and to create a welcome climate for students, parents, and employees. This mission is to be accomplished in a team setting where the team shall include students, parents, employees, residents, industry, and local merchants.

VISION STATEMENT--The world is our classroom and each student's potential is our challenge.

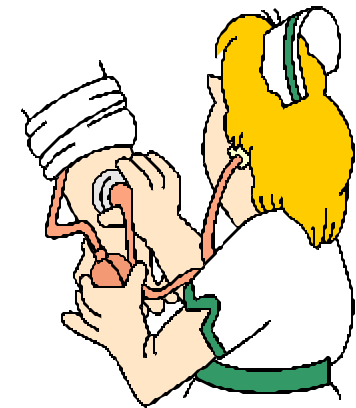

## FOR GILES COUNTY SCHOOLS

## GILES COUNTY PUBLIC SCHOOLS HEALTH SERVICES

Healthy Students Make Better Students

Believing that each child's health has a direct effect on his or her ability to fully access the educational opportunities of our school division, the Giles County Public Schools' health programs strive to do everything possible to assist our students in achieving their full potential.

## Health Care Services Provided by Macy McClaugherty School

Macy McClaugherty School has a nurse available during school hours each day to provide:

- ☒ Care for medically fragile children.
- ☒ Administration of required medications.
- ☒ Emergency care for illnesses and injuries.
- ☒ Management of communicable diseases.
- ☒ Health screening and referrals.
- ☒ Educational programs for staff and students.
- ☒ Immunization assessments and referrals.
- ☒ Outreach and assistance in enrolling eligible students in Medicaid and FAMIS.

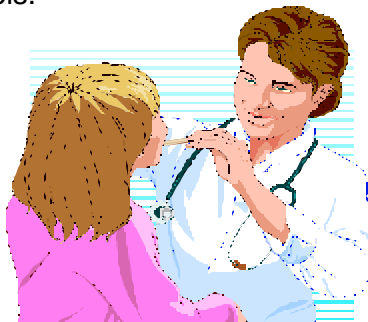

## About the Staff at MMS

The Giles County Public School System offers a health services program at MMS. This is accomplished through the use of a nurse on a daily basis. The goal of the program is to help students achieve educationally. To meet this goal, the students' health related barriers are identified and removed or modified.

Tammie Baker, LPN., is the nurse based at MMS.

Mary Henderson, R.N., is the School Health Coordinator for all of Giles County Schools.
