SPECIFICATIONS

The Giles County Public School System (GCPS) is soliciting proposal for vision services. Compliance with guidelines for speech evaluations and observational and summary visits by a therapist will be adhered to while assistants may be used as appropriate for ongoing treatment plans. Specific services required include, but not limited to, the following:

- When requested, the vision representative will attend IEP meetings.
- Referred students will be seen at their respective schools at the frequencies outlined by the IEP.
- The vision representative is responsible for providing training and educational updates to their staff.
- The vision representative will provide written documentation for each student in the program.

Please include in your response an hourly rate for a vision therapist, vision therapy assistant, and an evaluation rate. In addition, include mileage that will be charged (direct services documentation and consultation services). Services and mileage are to be billed monthly (due by the 3rd of each month). Invoice will provide detailed information concerning the number and types of services delivered and the number of miles traveled. Costs associated with supplies and/or equipment are the responsibility of the school system, as deemed necessary by the IEP. The successful responder will be responsible for all liability insurance for the vision employees.

The resulting contract will be placed with the chosen vendor for a period of three years (July 1, 2019 to June 30, 2022) and will not be re-advertised on an annual basis unless deemed necessary by the Giles County School Board. All responders must have met the minimum of all identified requirements. At the conclusion of the original 3 year contract, GCPS reserves the right to extend the contract for up to 3 additional one-year terms with a possible agreed upon increase in compensation not to exceed the increase in the consumer price index.

The selection process will be in compliance with the regulations under the provisions of the Virginia Procurement Act and Giles County School Board Policy. It is understood that GCPS reserves the right to cancel any contract resulting from this solicitation immediately upon providing notification to the contractor in writing from GCPS. This cancellation will be without liability or penalty to GCPS for breach of contract. GCPS does not discriminate against faith-based organizations.

If this RFP pertains to any school building that is being financed under Virginia Public School Authority, the administrator delegated to review this RFP for the Giles County School Board will take appropriate steps to ensure that IRS regulations regarding tax exempt bonds are not violated in the proposed contract for services.

TERMINATION FOR NONAPPROPRIATION

Notwithstanding any contrary provisions in this Agreement, the School Board may, at its option, terminate this Agreement as of the end of its fiscal year if funds are not appropriated which, in the opinion of the School Board, are sufficient to meet its obligations

hereunder. If sufficient funds are not appropriated, the School Board shall give the Vendor written notice of termination within ten (10) days after the adoption of the final budget for such fiscal year.

SUBMISSION REQUIREMENTS

A complete response consists of the following:

1. Mailed or otherwise delivered in a sealed envelope which indicates the return address of the sender, RFP number, title, receiving date, and time on the outside of the envelope.
2. The transmittal sheet(s) enclosed with this document properly completed.
3. Certificate of insurance, if applicable.
4. Substitute W-9 form (attached).
5. Any additional information as may be required by GCPS.

AWARD CRITERIA FOR NON-PROFESSIONAL SERVICES (if applicable)

Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the RFP, including price if so stated in the RFP. Negotiations shall then be conducted with each of the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the public body shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. When the terms and conditions of multiple awards are so provided in the RFP, awards may be made to more than one offeror. Should the public body determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror.

NON-DISCRIMINATION

Per Virginia Code § 2.2-4311 (if contract exceeds \$10,000):

1. During the performance of this contract, the contractor agrees as follows:
 - a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 - b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.
 - c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
2. The contractor will include the provisions of the foregoing paragraphs a, b and c in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

DRUG-FREE WORKPLACE

Per Virginia Code § 2.2-4312 (if contract exceeds \$10,000)

The following provisions shall be in place for contractor:

During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor. For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with this chapter, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the contract.
